ADDITIONAL INFORMATION

Double Pole Star Shades are distinctive in design. Their unique shape ensures they will be noticed at any event while also offering much needed protection from the harsh sun. The Double Pole Star Shade is one of the most popular tents in our range. This unit offers functionality, stylish appearance and fantastic value! They are the ideal promotional tent and have large, flat panels that are perfect for digital printing. The Double Pole Star Shades are made in four standard sizes. As we design and manufacture all of our own products, we offer unique flexibility when dealing with our clients. Our double pole Star Shades start at 44' x 28' and go all the way up to our huge 72' x 46' Star Shade. This is the king of all Star Shades and perfect for large events where you need to provide cover and a cool environment for big crowds. Below, you can find more information on each of our standard sizes in the Star Shade range. Be sure to browse through all of our products to find the perfect Tent.
