## ADDITIONAL INFORMATION

The Single Pole Star Shade is available in a selection of sizes starting from 20' span up to a 53' span shaded area. This style of promotional display is ideal for maximum brand exposure and the canopy can come in a selection of colors and fabric types. The fabric can also be custom printed to include any graphics or colors. This range of tents is fast to set up and dismantle and ideally suited for use at club meetings, school fairs and sporting events.
