

PREMIUM  
SAVILLE RANGE

## SET-UP INSTRUCTIONS

Please read instructions completely before setting up your umbrella. Make sure you have all the components identified on the parts list. Recommended procedure below. For safety reasons it is recommended that 2 people set-up / pack down any umbrella.

1. Remove umbrella frame from packaging & stand upright into the base plate.

2. Tighten the two black handles until secure.

4. Using a step ladder carefully place the umbrella canopy over the top of the frame.

5. Go around the umbrella ensuring the canopy is correctly laying over the frame.

7. Repeat step 4 until canopy is secure to frame.

8. Using the grey rope firmly pull in a downwards motion to open the umbrella.

10. There are three fixing positions on the frame pole. Do not force the umbrella to the highest position.

11. Secure the rope on the hook.
